Conference Selection Process Update. The Church Council and Elders have reviewed the summary information from the second survey collected April 29th. Based on the survey results, it appears that inviting conference representatives to speak to the whole congregation may be premature until there can be a congregational meeting to seek the counsel of the church in identifying next steps. Therefore, the tentative meetings scheduled for May 7th and May 9th to meet with conference representatives have been put on hold. A congregational meeting has been scheduled for May 9th at 7:00 PM to process the results of the second survey together and try to identify a way forward.

Thoughts and prayers are with the friends and family of Ken Miller who passed away on Wednesday.
