#### ***Five Wishes* Booklets Available on Credence Stand**

*Five Wishes* takes the guessing out of caring by planning before a health crisis. Though we don't like to think about it, a change in health or an accident can happen to any of us. That's why it's important for all of us, regardless of age or health, to have a plan that documents our health care wishes in case we become unable to make important treatment decisions, or communicate choices. If you don't designate the person you want to make your health care decisions, someone else will be chosen for you who may not know your wishes. *Five Wishes* provides a means to legally document a health care surrogate, choices for medical treatment, comfort and care wishes, as well as what you want your loved ones to know. Council & Elders encourage each person 18 and older to take a copy, fill it out, and keep it in a safe place, known to your next-of-kin.

#### ***Springs Mennonite Church Vision Statement***

*We, the Springs congregation, have been changed by Jesus Christ. Saved by His love and forgiveness, we are empowered to carry forth His ministry, through obedience, teaching, service, and healing. Reaching out to all people, by faith we journey together praying, worshiping, and making disciples. By our living in the Spirit, we reflect His love, joy, hope, and peace.*
